Poquoson Homecoming 1978

The Sophomore float parading down Poquoson Avenue.

Homecoming Court.

Homecoming week has always been an exciting time at Poquoson High.

A week when the four classes battle out the fight of the floats and the winner of the votes! This year the float theme was "The Movies" and the winner was the Junior class with their float "Murder on the Islander Express".

The other side of the maddening competition was the electing of the Homecoming court. This years Homecoming queen was Rene Nita Gori escorted by Brian Ferguson. Her court was made up of other senior representatives Tricia Sullivan and Chris O'Neil and Donna Jurosky and Stan Jones. Junior Class representatives were Kim Gardner and D.G. Mitchell. DeDe Spivey and Charlie Fulnecky served for the Sophomore class. Rhonda Thurman and Les Drain pulled in the most votes from their Freshman class.

SADIE HAWKINS DAY

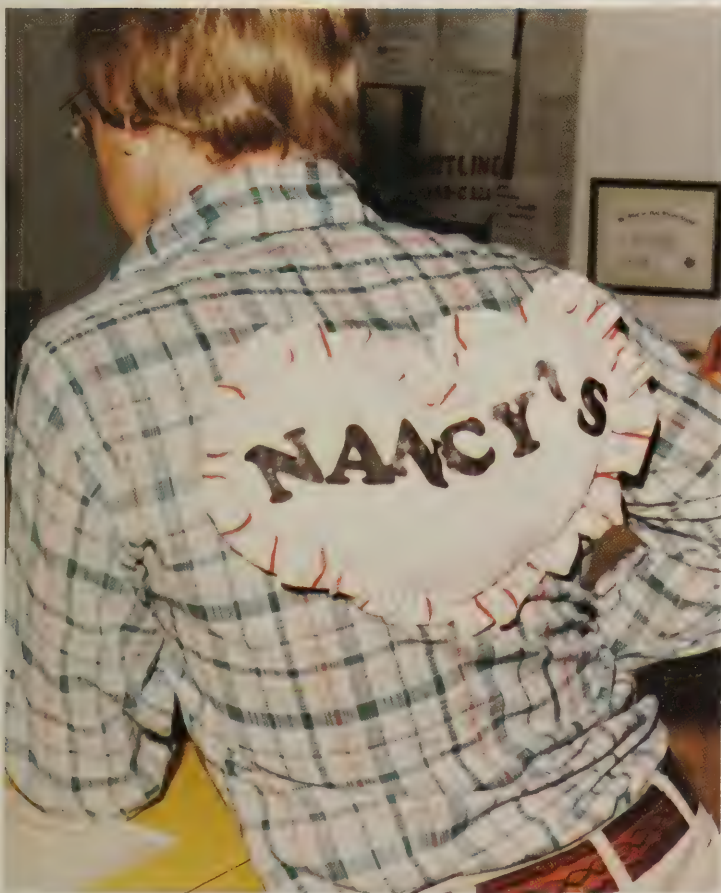

"What do you mean am I studying
lumberjacks?"

"Umm. . .Now hold still Terry."

Leigh Lawson and Donna Silver. . . just a couple of country girls.

Sadie Hawkins Day Is. . .

- The day the girls get the once a year chance to ask the guy of their choice to the dance.
- Staying up the night before making sure your patch is just right.
- The day the girls get up early and go to school to get *their* man.

Cross Country

Matt Fries scrambles up a muddy hill

Cross country, new to PHS, it captured the attention of a few students who were willing to run three long miles everyday for one moment of glory.

The hours of practice, the hot baths, the Ben-Gay. The constant rolling of the hills and the swaying of trees in the wind, all are part of the cross country runner.

The path taken is laden with mud and sticks and the birds and crickets cheer the runner on as he trudges through the forest and along the dusty roads. His pulse quickens as he begins the final sprint. And then it is over. Totally exhausted, the runner's legs give way, and for the first time in twenty minutes, he relaxes.

Bottom Row: P.A. Hall, Doug Brozovsky, John Duane, Matt Fries, Charles Fulnecky, Susie Fries.
Top Row: Jenny Dawes, Mark Davis, Kevin Wiggins, Brian Cartwright, Tim Oprisko, Troy Hinkle. Coach: Mr. John Forrest

J.V. GBBT

Theresa Firman gets the jump.

The 1978 season proved to be almost perfect for the girls J.V. basketball team. After posting a regular season record of 14 and 4, the team lost to Bruton for the J.V. Championship by one point.

Coach Harding stated, "the girls did an outstanding job for being in existence for only two years. The only thing that prevented a perfect season was lack of experience."

Hey Edie! Get off the floor!

Someone please HELP me!

Mary Kay Messick sinks it.

Julie Vaughn tries a shot.

One-hundred-and-one ways to win a basketball game was the strategy used by the girls basketball team in the march to Regional Semi-Finalists.

The team was led by Kathy Keating, who was awarded: Most Valuable Player, Leading Rebounder, and Foul Shooter. Wendy Laxton was awarded Assist Leader and Sandy Miller and Donna Jurosky were designated Most Deserving.

When asked his opinion of the team, Coach Dave Nelson replied, "The girls did a tremendous job this year adapting to AA competition. Their success was due in part to their unrelenting attitude to improve and the leadership shown by Co-Captains Kathy Keating and Donna Jurosky. The team brought many personal moments of pleasure and will always be remembered!!!"

Patsy Keating tips off.

Karen Hastings shoots two.

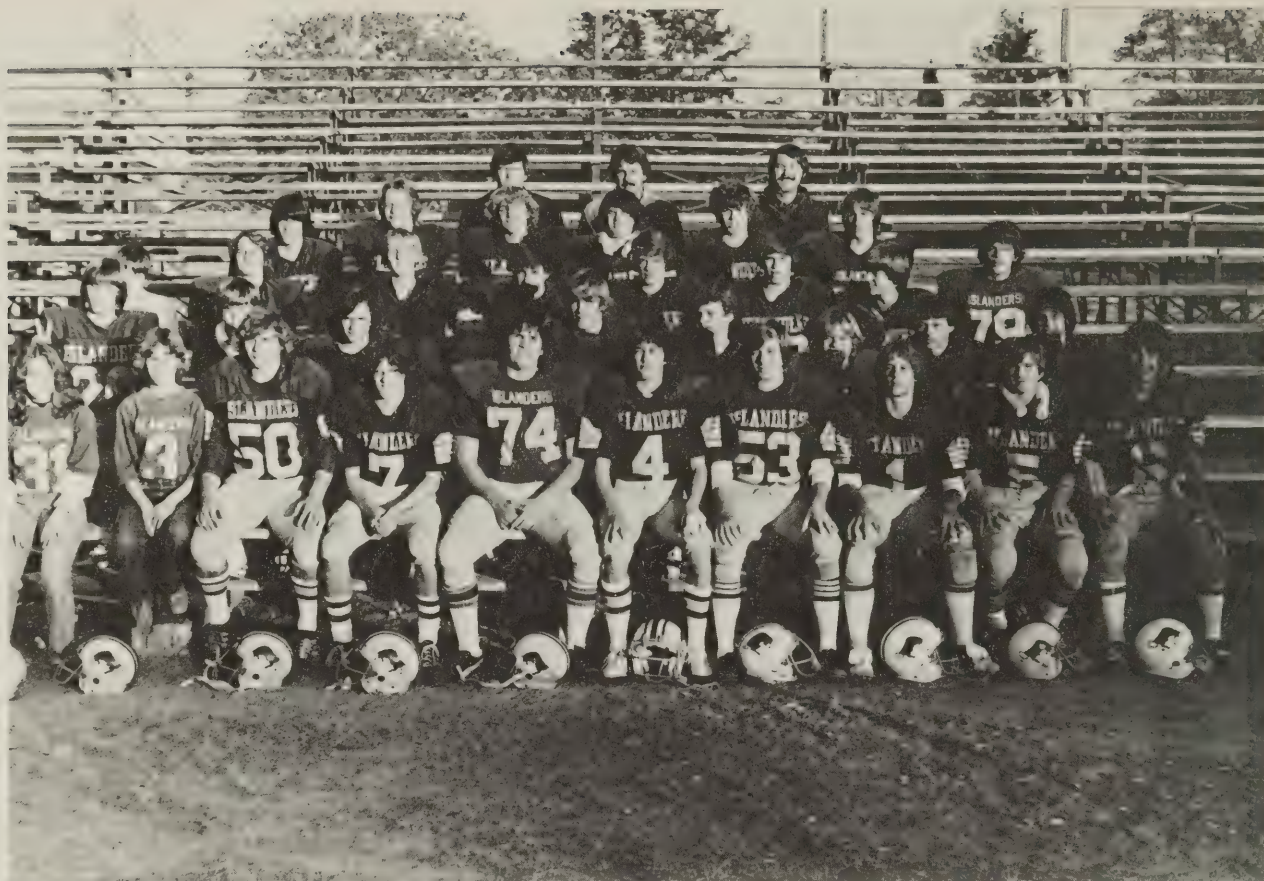

Throwing the ball is Kathy Keating.

Donna Jurosky shows her style.

Showing how the game is played is Wendy Laxton.

This years Quarterbacks, David Smith and Jimmy Walker picked up yardage on the ground and in the air with outstanding plays.

The Gloucester game seemed to be the turning point in the season for the Islanders for after this loss, their possibility for the championship plays were greatly diminished.

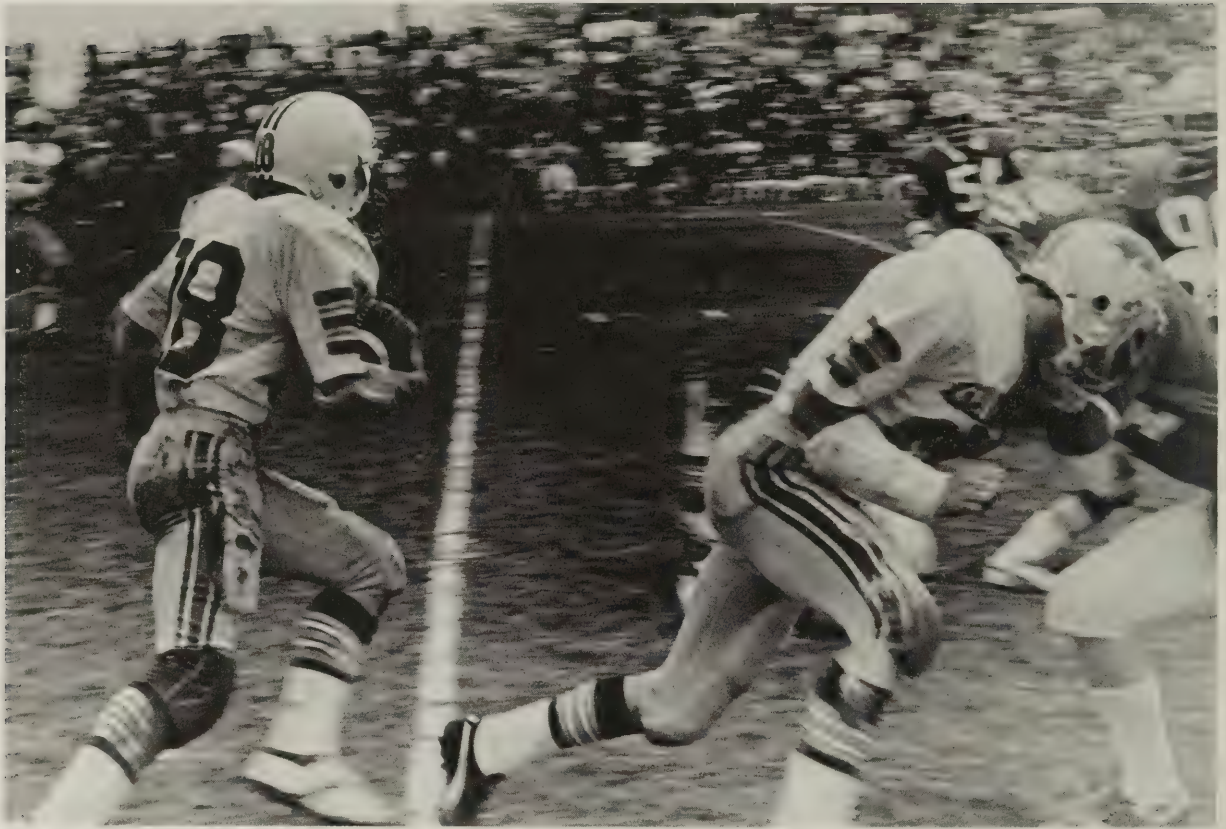

There were many close games, which were not decided until the final gun sounded. They faced fierce competition, but achieved beyond their expect-

FOOTBALL 1978

David Geissinger with punt return against Southampton.

If the move from Group A to Group AA was supposed to be tough, the football team gave no indication of it. They finished their season with a 9-1 District record and a first-round Region I Championship. Which gave them a chance to play the "legend" — Southampton. The team was led by four Senior linemen Co-Captains; Joe Abney, Roy Fox, Guy Garrett, and Randy Brookshire.

This years Most Valuable Player Award was given to George Yeager, and the Sprinter Trophy was awarded to Robert Turner for the second year in a row.

When asked how they liked being Co-Captains, Roy Fox replied, "I felt really honored and was happy to be a part of such a fantastic football team." Guy Garrett said, "It was enjoyable, we have the best coaches, and the team was great to work with." He concluded by saying, "I had a great time."

Wally Cristopher brings down Tabb's ball carrier.

Will Gibbs, Rick Bachmann, Joe Abney and Randy Brookshire rush to take down York's #14.

FALL CHEERLEADERS

Diane Limburg leads cheerleaders in outside pep rally.

The 78-79 year for the Poquoson Cheerleaders was one filled with busy afternoons, a lot of hard work, and finally success.

The fall squad was led by captains Theresa Skirchak and Diane Limburg. Kelly Hinkle and DeDe Spivey placed in the top ten at summer camp and qualified for national competition on individual merits.

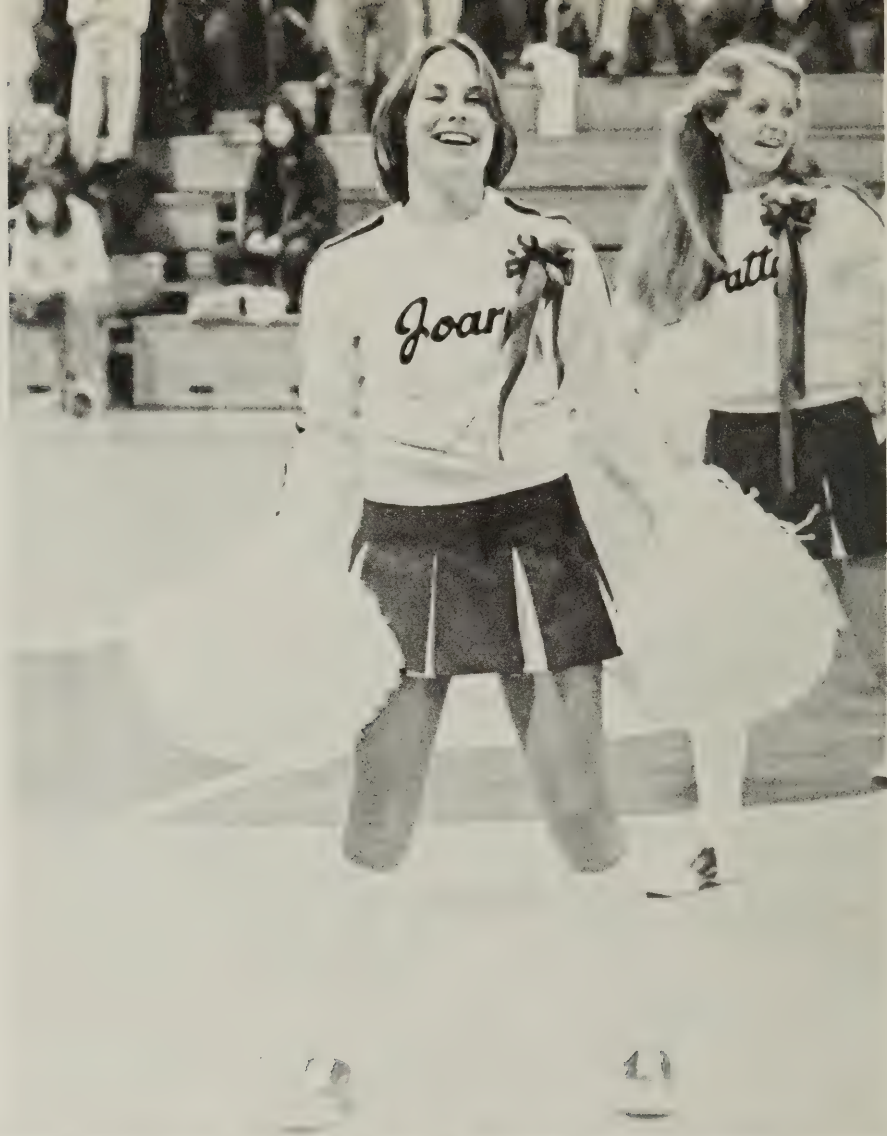

The Islanders representative squad, consisting of Theresa Skirchak, Diane Limburg, Linda Sibbers, Patti Pride and Lisa Lester placed first at ASCC camp, and captured the prized spirit star.

BAND

The participation in band can be enjoyable, exciting, adventurous and most of all a good experience for anyone who wants to be involved. It's a time when you yourself have the chance to contribute your talents towards something that many people will appreciate. You have the chance to travel to different places and to show others and yourself the responsibility that you hold.

Band isn't just the excitement of winning, but also the challenge of competition.

Color Guard: Rita Goode, Susan Downs, Kathy Insley, Angela Hugget, Tammy Forrest, Anne Hunt, Ronnie Fahringer. Not Pictured: Kathy Taylor.

Pom-Pom Girls: (Kneeling) Martha Martin, Cindy Clark. (Standing) Kim Rollins, Leslie Cox, Kathy Garner, Julie Phillips, Leslie Firman, Maresa Firth, Naomi Quinn, Joan Insley, Patti Quinn, Melanie Forrest, Heidi Nill, Amy Hunt, Debbie Graham.

Being part of the band can be a very rewarding experience. It takes a lot of time and a lot of hard work.

The band is working this year towards a trip to New Jersey for a field show and then on to New York City for a tour.

In addition to the numerous parades the band has participated in this year, they have also sold citrus fruits, pies, pens and candies. The money acquired from these fund raising activities was put towards the band's trips.

The atmosphere of the Forum was one set for another enjoyable night of entertainment, as PHS Drama opened the fall season with three one-act plays. The first play "Happily Never After" made the audience forget about their troubles for awhile, while the characters worked out their own bizarre problems. The second play, "Which is the Way to Boston?" kept the audience in hopeful suspense as they wondered if the girl would die. The third play, "Diary of Adam and Eve" was a comedy which taught the audience a little bit about human nature and the facts of life. When asked how she felt about the plays, Mrs. Dot VanDervort, the drama coach stated, "I was really pleased with the performances and professionalism exhibited in all the productions. I am looking forward to another successful play this spring."

Rich Bachmann models his "over the falls" bathing suit to Martha Martin in "Diary of Adam & Eve."

FALL PRODUCTION

Aunt Martha (Kathy Martin) is comforted by Mary (Marie Watkins) While Uncle John (Jim McBride) reads a telegram to Chris (S. Wagner)

Prince Ling (Jim McBride) tries to awake Sleeping Beauty (Lousia Darby) but is unsuccessfully.

CHIEF EXECUTIVES

Whoever said that the last day of school marked the beginning of a two and a half month vacation forgot about Chief Executives. Dr. J.R. Vorhauer spends his summer getting ready for a new and exciting school year. He is an enthusiastic supporter of all student activities, and a familiar face to everyone at Poquoson High.

This year the class of '81 had many achievements. Class Officers were: Trip Garner, President; Leigh Lawson, Vice President; Polly Jones, Treasurer; and Sarah Watson, Secretary.

During Homecoming Dede Spivey was the class representative. Her escort was Charlie Fulnecky. The sophomore float came in second place in the competition. The Sophomore Class spon-

sored two dances, sold pennants and candy to raise money.

Troy Hinkle thinks, "The class of '81 has more athletic ability than any other class!" Mrs. Goddin stated, "This year's sophomore class is one of the best I've ever taught. These students are intelligent, creative and hard-working, and I'm sure you'll be hearing good things about them in the future."

Everyone's favorite Poquoson Matmen Group's goal is simple: bring the Group A State Championship back to Poquoson.

If the mission can be accomplished, the Double-A prize will have plenty of company with Group A awards in the old Islanders' trophy case.

Since 1971 the Islanders have never finished lower than fourth in a state meet.

If that's any indication, Poquoson should live well when the Tri-State State tournament is launched this afternoon in Chesapeake.

In the 11 matmen at the event, the Poquoson Matmen, Keith Roberts and Steve Adams at singles.

"Their edge," says Poquoson's coach, "is their experience."

They've been to the state meet before and a number of times, including the 1971 state meet where they won the title.

They've also been to the state meet where they lost the title, and they've been to the state meet where they were the runner-up.

The difference is that they've been to the state meet where they were the champion.

Kuback's brother, Ted, is also a member of the Poquoson Matmen, and he's also a member of the Poquoson Matmen.

Poquoson Group AA State Wrestling

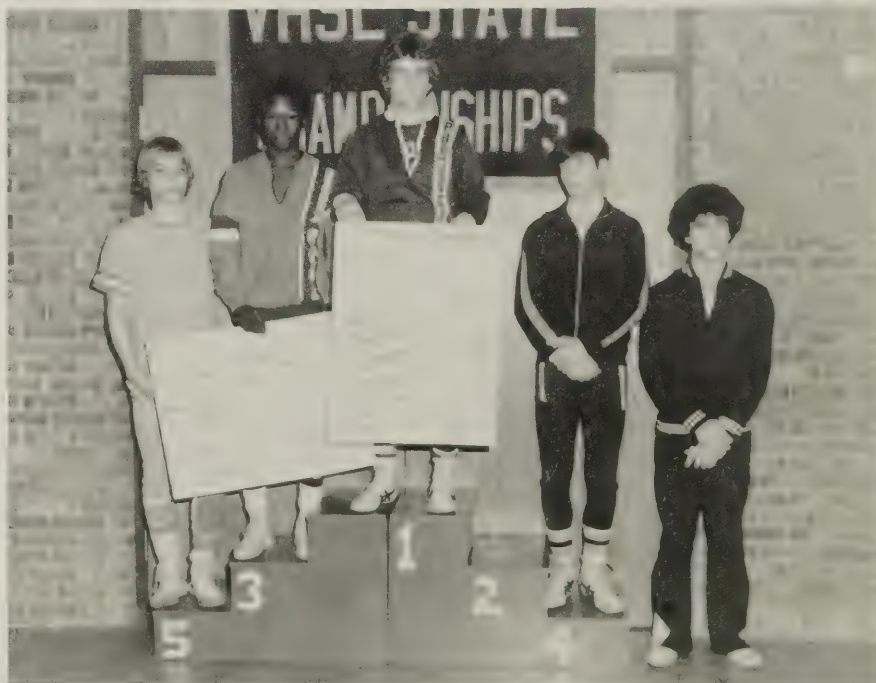

Olen Evens Jr. receiving the title of number one in the 155 weight group.

"We Are the Champions," this familiar saying applies to a lot of sports, but at PHS, most associate it with the Varsity Wrestling Team. As the new season started, Coach Day was "confident about winning, but he wasn't sure how tough AA competition was."

This years over all record was 11-1. The only loss was to Bethel by one point. Mr. Day feels that "a teams biggest accomplishment is winning State, but it is getting tougher and tougher because we have won three consecutive titles, and everyone is out to stop us."

This year, 12 wrestlers went to State. This is the most any one coach has ever sent. Out of those 12, six placed and three were State Champs. Coach Day is counting more on winning next year then he was this year, because he "knows more about the District and has three returning State Champs"; Keith Roberts — 2 time State Champ, Olen Evens Jr., and Steve Green have the possibility of becoming 2 or even 3 time champs. Coach Day definently feels that "We Are the Champions"!!!

The honor of becoming the State Champ for the 119 weight group goes to Keith Roberts.

ing Champs

The bulk of Poquoson's success came in the consolation round. They had particular praise for senior Davey Shickler (130) as well as sophomore, senior.

That's impressive with the fact that while it's a 4-2 record and Menendez just lost to a consolation. In fact, Menendez defeated Ruston Taylor in the quarterfinal tournament.

"These kids got hot in the consolation round," said Coach. "That's the term we use when they really reach down for something every."

Defending 98 champion Tyrone Jones suffered a setback in the semi-finals and had to settle for fifth place final. He lost to Mike Kral.

Coach Shickler said the team was very confident and they were very happy with their performance.

Coach Routten encouraged the boys to have spirit, and exersises. The boys will help support the Varsity team.

The leading scorer was Troy Hinkle with an average of 20 points a game.

Who ya rootin' for — P.H.S.! The whole gym was in a frenzy as an Islander slam dunked the ball in for a Poquoson victory.

Under the leadership of Coach Dave Nelson, the team thrilled Poquoson fans with an overall team record of 9 wins and 13 losses. The high point of the season was a 20 pt. victory over our rival school-TABB-in the Christmas Tournament, led by Captain Keith Thomas, who was also leading rebounder. George Yeager took most assists, Wally Christopher and David Geisinger recieved most deserving players and Terry O'Donohue captured best foul shooter.

Coach Nelson said "We had a young team which matured with each game. We are looking forward to next year." So by the end of the season the fans were left with high hopes for next years Basketball Season.

For the first time in many years, there wasn't a separate Varsity and J.V. squad. Instead, the cheerleaders were all within one squad, and took turns cheering for the various sports. The winter squad consisted of 18 girls with Diane Limburg and Rene Green as Co-Captains.

Awards were given to a few of the members for various accomplishments. Sandi Miller and Karen Hardenbrook were Most Improved, DeDe Spivey-Most Spirited, Kim Gardner-Best All Around, and Linda Sibbers recieved Most Co-Operative.

Dispite all the problems that come with a new squad, they did a good job.

When you took a look at this years Baseball Team, you saw a group of talented but young members. Thanks to the enthusiasm and dedication of the fans, the team played ever game with true determination.

With the skill of the pitchers, Gene Dessaulniers, Mike Stricklett, D.G. Mitchell and Will Gibbs, the Islanders fought their way through an exciting season. In the years to come, the team shows promise of becoming State Champs, through the leadership of Coach Woodard.

SOFTBALL

The Girls Softball team worked many long hours to provide Poquoson High School with a strong and well known team in the District, which brought pride to all those involved.

The winning combination of Senior pitcher Denise Pyle, shortstop Glenda Price, and Sissy Wright at 1st base, was a strong asset in the infield. Sandy Miller and Missy Perkins were part of the outfield defense.

Every girl on the team, showed all the necessary skills it takes to be on a Varsity Softball team, which will be a great asset in the following seasons.

TRACK

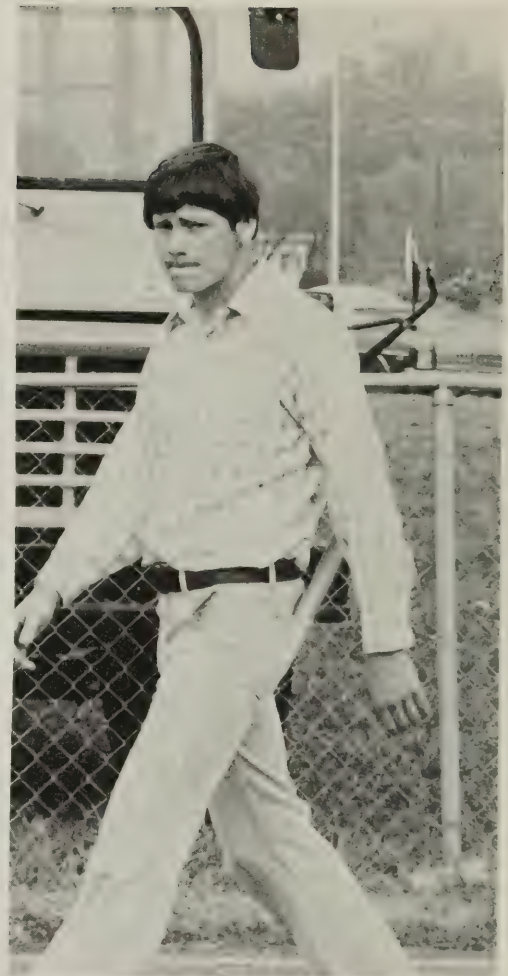

Lisa Matzeder easily clears the high jump.

Poquoson's track team put in a hard year of work. The team consisted mostly of younger members, who will be a great asset in the years to come. Coach Wright said, "the team gave good individual performances, but lacked dept." A large number of students participated in track this year, which provided over all team support. The only thing that held the track team back from further advancement was the "lack of a track," which resulted in the members running around the school parking lot.

POTPOURRI

You know it's the end of
the year when...

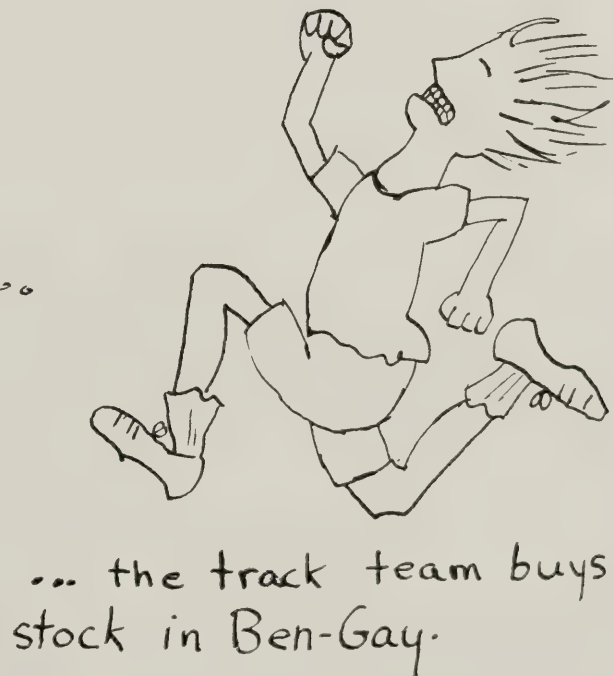

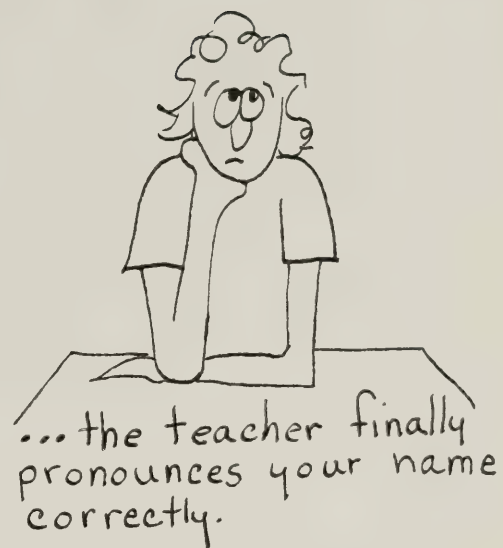

...lunchroom food bites back

... your gym suit gets up and
walks home by itself.

... softball games are
never cancelled.

WE DID IT ALL FOR YOU!

A Yearbook is a memory book for us to look back on at all of those special times. We hope that our staff captured all the special and "not so special" moments during the school year.

This 1979 Islander was made with many hours of hard work. We give special thanks to the dedicated few who gave up their "spare time." There would be no Islander without you.

Front Row: Arna Heitman, Robin Harcum, Sheryl Gatewood, Jeff Roberts. Back Row: Julie Deaton, Linda Dozier, Michelle Barton, Leslie Hinderliter, Mrs. Sproull, Tammy Forrest. Not Pictured: Michelle Purman, Anne Hunt, Bill Holton.

ISLANDER STAFF

In ending this school year and in completing this book, we the Editors of the 1979 yearbook remember . . .

Michelle Purman's "Mr. Bill," Finished Senior stats — even though 25 pages were typed wrong, and "I've got the munchies."

Robin Harcum's "Where is the Thesaurus?" "Why do we always start out with 40 people and end up with 10?" "Be calm, it's only our deadline."

Michelle Barton's yellow cup of ice. "Where's the correction tape?" Smuggling bread from Sammy and Nicks and endless hours in front of the typewriter.

Leslie Hinderliter's "Don't take my picture!" and still having trouble copying a layout after 2 years of trying.

Julie Deaton's constant worry over the "collage," "Anne, that's not RIGHT."

Anne Hunt's OVERALLS, HHHiii . . . and "Freak Out."

Linda Dozier's "What do you want me to do?" "But I don't know how to type." Super G-NAT.

Sheryl Gatewood's "I don't know how to type." "Is Mr. What's His Name coming today?" Ease on down the road.

Karen Brandsey's "Lack of a Track."

Karen Martin's dancing at Annas.

Jeff Robert's living in the darkroom. "Mrs. Sproull, are you sure the negatives are down in the dark room?" "Got the keys Mrs. Sproull?"

Mrs. Sproull's SPAZZ OUT!! "My circuits are overloading" Deadline — Oh no. "What time does the post office close? . . . WHAT? . . . 5:00 . . . OH NO!!"

Robin Harcum and Michelle Purman
Editors
